2. As used in this Consent Judgment, (i) the term "Amneal Product" shall mean the drug product sold, offered for sale or distributed pursuant to Abbreviated New Drug Application No. 208531 (and defined in greater detail in the Settlement Agreement); (ii) the term "Licensed Patents" shall mean United States Patent Numbers 6,251,910; RE46,276 (6,525,060); 7,250,419; and 7,265,124; and (iii) the term "Affiliate" shall mean any entity or person that, directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with Amneal; for purposes of this definition, "control" means (a) ownership, directly or through one or more intermediaries, of (1) more than fifty percent (50%) of the shares of stock entitled to vote for the election of directors, in the case of a corporation, or (2) more than fifty percent (50%) of the equity interests in the case of any other type of legal entity or status as a general partner in any partnership, or (b) any other arrangement whereby an entity or person has the right to elect a majority of the Board of Directors or equivalent governing body of a corporation or other entity or the right to direct the management and policies of a corporation or other entity.
